## The Garden Itch

*Can you feel it?* March 17-23 is the final week for cleaning out the old gardens to prepare for the tilling and mulch. If you had a garden last year, please remove all stones, large plants, wood and other items by March 23.

**Maria Forte**, Village Gardener, welcomes all those interested in serving on the Garden Committee to meet at 10:00 am March 23 in the Beichner Community Center. Coffee and donuts will be served. The Committee will evaluate Garden Guidelines, plan the annual Garden Kick-Off party and finalize Community Gardens before tilling can begin.

Garden Kick-Off will be April 6 at 10:00 am. Look for the flyer coming soon.
