A Literary Feast

In an effort to accommodate the schedules of University Village families, Kenna Brewer and 15-20 members of the Freshman Class Council have rescheduled a Spring Parents' Night Out. **Monday, April 15, 6:30-8:30 pm** will be a special Literary Feast for children of all ages. Children are encouraged to bring and share their own personal creations or favorite literary works (poetry, songs, books). Art projects will be part of the program and cocoa and dessert will be provided. Registration for this event must be in by April 10. Look for the flyer in your mailbox.

Village Green-Up and Pancake Breakfast

Mark your calendars for the annual Village Green-Up to be held Saturday, April 20. Residents are invited to start that day with neighbors at 9:30 am in the Beichner Community Center for a **Pancake Breakfast** sponsored by the Social Committee. Then at 10:15 the Grounds Committee will lead the **Clean Up** of the Village grounds. At 11:00 children are invited to return to the community center for a **Plant A Seed** project led by Maria Forte, Village Gardener.

Noise? It Goes Both Ways

It is one thing to simply follow Quiet Hours and quite another to actually show consideration for others. Whether your family resides 'above' or 'below', the benefits from these helpful tips will build healthy relations with neighbors:

- * fit tennis balls to the legs of kitchen chairs.
- * remove outside shoes and wear soft slippers (ideal for those people 1-3 years of age).
- * run a box fan (white noise drowns out all conversations).
- * soften tile floors with area rugs.
- * station night light in the bathroom to avoid running exhaust fan.

Guest Apartment

The University Village is looking for donations to furnish our first ever Guest Apartment. Look for more details to come.

The Final Advisory Council Meeting *Open to All Residents* will be **Thursday, May 2 @ 6:45pm** in the Beichner Community Center. Hope to see you there!
