The Chicago Tribune

University Village Complex residents can now peruse our daily subscription to the Chicago Tribune kept in the Beichner Community Center play room.

Electric Organ

Thanks to the generosity of Mr. and Mrs. Al Schlundt (Landscape Services), the community center now has a Lowrey Magic Genie 98 organ. Come and enjoy it!

Mail Clerks Needed

Two on-call mail clerks are needed to begin work in May. Average number of hours per week: 2-4. Please call Andrea to set up an appointment. The Village will also be hiring one full-time permanent mail clerk starting in June. This position is 6-8 hours per week.

Mail Forwarding

Temporary mail forwarding is available through the University Village Mail Room (not the US Post Office) for residents leaving during the summer months. Mail forwarding forms can be picked up at the Manger's Office and returned to the same or to the mail room at the community center. Be sure to check 'temporary' on the sheet and indicate an ending date that is *5 days before your actual return date* so mail will arrive at the Village when you do.

Permanent mail forwarding forms can be found in the Move-Out Packet for those residents not renewing housing contracts for the 2002-2003 academic year. Contact the Manager's Office for a Move-Out Packet.

Thank you to all of you who have taken the time to help create a sense of community in our unique Village. Some of your goals have been accomplished and the seedlings of the rest remain to be cultivated by next year's committee members. It has truly been a great year.
