Maintenance 'What To Do's'

Make your needs known to us, that's why we're here. If a maintenance call is needed in your apartment, do not hesitate to contact the Village Office by phone or e-mail. In the event you must leave a message on the office telephone, please know that those messages are checked and responded to several times each day. Please refer to the following phone numbers and e-mail when placing a maintenance request. Parents Get Excited

The freshmen are coming back for more. On Thursday, January 30, take a break between 6:00-8:30 PM and let Jackie Clark and the Freshman Class Council feed your children pizza and provide puppet making/show, a movie and nerf football. You don't want to miss this great opportunity for parental free-time.

Come Out for Story Time

The Social Committee invites all residents with young children to brave the weather and come out for story time in the Beichner Community Center at **10:30 am on January 31st**. This is a time for parents to meet, children to listen to stories read aloud and everyone to participate in a craft or enjoy a provided snack. If you are interested in sharing your favorite children's story or craft during a Village story time please contact Bea Hussar at 4-4688.
