

UNDUUV

February 2003

Resnet Update

Beginning the 10th of February, the Office of Information Technologies will run Resnet cables in Cripe Street Apartments. Once the cables are in place, two jacks will be installed in each apartment. For more information about the final stages of this project call the office at 1-9145.

Rich Resources

Since September 2001, John and Sylvia Dillon at Campus Ministry have continually supplied new reading material to the University Village Library located *behind* the door of the Beichner Chapel. Current books include works on marriage, children and family issues. The library functions on a personal check-out system and is always open. Suggestions for books that should be included in the library can be directed to Sylvia or John at Campus Ministry, 1-7800. This is a unique service available to all residents of our University Village Complex. One of the newest additions to the collection includes "God Knows Parenting is a Wild Ride", by Kathy Coffey. And if you haven't already read it, check out "Daddyhood: This Changes Everything", by Dan Driscoll, husband of Felicia Leon-Driscoll, catechist of Catechesis of the Good Shephard.

Quiet Hourssssshhhhh

Quiet hours in the buildings and on the grounds of the University Village and Cripe Street Apartments are from 9:00PM to 7:00AM. During these hours residents must avoid running vacuum cleaners and washers and dryers. Volumes on televisions and stereos must be kept low. Children must be kept from loud, raucous play. In the event of a late night social gatherings, however small, it is recommended that residents reserve and use the Beichner Community Center (du Marais, page 16).

Pinatas Made Easy

Thanks to the suggestions of residents, a hook has now been installed in the ceiling of the main room of the Beichner Community Center to make pinata parties a little easier. A stick to hoist the pinatas up to the hook is stored in the closet of the main room where the extra tables and chairs are found.

Cripe St. Cubbies

Cripe Street residents are reminded to check their campus mail boxes located inside the Cripe Street Apartment buildings under the bulletin boards on the first floor. Village mail clerks deliver campus mail and UV complex announcements to those boxes several times a week. Don't miss your mail.

Story Time Clears the Winter Blues

Come and enjoy stories read aloud for children and parents on Friday mornings in February (14th and 28th) at 10:30 AM in the Beichner Community Center.

Bowling over Winter Blues

The Beacon Bowl (4210 Lincoln Way West, South Bend) will host another great bowling event for the University Village Complex residents on Sunday, February 23 at 3:30 PM. All University Village and Cripe Street residents will receive two free games of bowling and shoe rental. Bumper bowling available. Bring the kids!

Your Opinion Counts

For the benefit of UVC committees, the community center will be reserved on Thursday, February 6 beginning at 6:45PM for use by committee chairs and their members. The place is yours to use.

The next Village Advisory Council meets **Thursday, March 6 at 6:45 PM**. Meetings are casual, refreshments are served and children are always welcome.
